After a long evaluation of the Financial Statements of Kementan by the Financial Evaluation Agency (BPK) of Republic Indonesia, and resulted with reasonable with exception (WDP) opinion. At last, on Monday, 23rd

June 2014 was a historical day for Kementan which had succeeds to get the financial evaluation result with reasonable without exception (WTP) opinion.

Of course this was very surprising and gratefully welcomed to the Merciful, where the opinion result was delivered in

Jakarta

b

y
the Head of
the Presidential Working Unit
of
Field
Development
Control of Republic Indonesia through a letter No.
B-1425/UKP-PPP/06/2014 to the ministry of agriculture. It is stated that The Institution
(UKP-PPP)
congratulates the
Minister
of Agriculture
and
over the whole range of Ministry
of Agriculture
for this financial management
achievements

This is a historical day, where that evaluation in the context of financial management improvement. Where so many times (since 2008 – 2012) had got WDP opinion (reasonable with exception), and in this year at last got the WTP (reasonable without exception) opinion. Minister of Agriculture has submitted the instruction

At last, Ministry of Agriculture (Kementan) got WTP Opinion from BPK of Republic Indonesia.
